

Eyam Dale House Mine Stoney Middleton

Survey after J Beck, 1985

The 20m entrance pitch is belayed to the in-situ scaffold bar. Traverse over a blind pitch below the entrance shaft, and squeeze past a further pit before turning right into a crawl which leads to the second pitch which can be rigged with spits and natural belays.

Equipment:

Entrance:

20m rope

Pitch Two:

15m rope
