8mm spit, rawl bolt etc	
Stainless steel permanent anchor DMM, goujon, P38, Fixe etc.	
Spike, or flake	
Deviation	
Fixed ladder	
Pull through	
Fixed rope	F
Belay stake	
QR Code link to Peak District Caving	

Pitch Lengths are for guidance only.  
 Rope lengths may need to be increased  
 depending on your rigging techniques.  
 Err on the side of caution;  
 are your ropes long enough?  
 Have you tied a knot in the end?
